

# Run for YouthNet

Young peoples' charity **YouthNet** has a limited number of places left in the **2010 Brighton Marathon** and we need YOU to run and raise funds for us!

YouthNet is the charity behind [www.TheSite.org](http://www.TheSite.org), the online guide to life for 16 to 25 year-olds which provides vital advice on topics ranging from relationships and sexual health to housing, work and study.

The snow has melted so now is the perfect opportunity to get outdoors and make a difference by running and raising money to help YouthNet revolutionise online support for young people. **The marathon is debuting in 2010 and is sold out to the public so this is your last chance to be amongst the first to take part!**
