

Heart of The Community 2011

Paddock Wood Training Track wins Award

Mike Ridger and I attended the Heart of England Community Awards on Thursday 26th January 2012 sponsored by the Courier and AXA PPP healthcare.

I am delighted to report that we won second prize in our Community award category and a cheque for £1,000.

Thank you everybody who supported us by sending in your votes via mail and texts to the Courier, it just shows what can be achieved when we pull together!

All the best

Tony Batchelder
