

## International Recognition for PWAC Athlete

A great piece of news which shows how versatile our athletes are

One of our junior members has become an Olympian

16 year-old **ANGHARAD WARD** from Beltring has been selected to represent Great Britain in the Innsbruck Winter Youth Olympics in January as a member of the GB Curling Team.

Angharad has also been selected for the England Curling Team in the current European Curling Championships in Moscow and is the youngest ever competitor to represent England.

Angharad joined us last year, it has obviously done her good.

All at Paddock Wood AC wish her the best of luck in both competitions.
