Issues at Mascalls School

Dear All

I would like to bring to your attention that meetings have taken place with regards to numerous complaints being made in the following areas:

Smoking, Dogs, Parking, Noise Levels

Please can all clubs & teams (including visiting teams) ensure that any member / parent or player who is connected with the club be it visiting or regular are made aware of the facility booking terms and conditions.

Smoking - It is illegal to smoke anywhere on the school site.
This is not just a school rule but it is the law.

Dogs - No Dogs are allowed on the school site (other than guide Dogs). This is for health and safety reasons.

Parking - There is to be no parking on the grass or any yellow boxes – this includes the yellow areas near the main gate entrance. These areas are also not to be obstructed as access is always required.

Noise Levels - Please refrain from beeping of horns when entering and leaving the school grounds.

It has been decided that any club / team who break the above rules will receive the following:

- 1) A warning
- 2) Suspension
- 3) Letting terminated

(This will also apply if anyone associated with your club is also caught in breach of the above rules).

To avoid any confrontations please ensure that this email is distributed out to all concerned as I do not wish for myself or any other member of the duty staff to be put in an awkward situation.

If anyone has any questions in relation to the above then please do not hesitate to contact me.

Kind Regards
Sarah
