Take this opportunity to run Paphos on 11th March and Limassol on 18th March 2012, both events offering a choice of Marathon, Half-Marathon and 10KM races.

You can book your own flights to either Paphos or Larnaca airports, and we'll look after you from arrival to departure.

We have been bringing UK runners for events in Cyprus every year since 1994, and our reputation on the island is recognized by Event Organizers and our many UK clients.

Our base for both races is ATLANTICA OASIS HOTEL in Limassol, which offers great food and accommodation - check out the great rates and offers on our website:

www.sportsresort.net

You'll be in good company whilst staying at the OASIS, as marathon legend Ron Hill is also staying there (9th -19th March) and he'll be taking part in our free Training Week led by UKA Coach Alan Newman (13th-20th).

You can book everything with us, or just Race Entry, but don't forget, booking with us and staying for both events at OASIS means you'll have FREE transfer to Race Start in Limassol and return transfers for Paphos.

We also offer you the choice of paying in Sterling or Euros. Once we receive your entry we will contact you regarding payment and hotel.

For bookings or enquiries our Cyprus Office is open Mon-Fri 6am-11am UK Time.
