

# New Club Jackets

As some of you will have seen the coaches have got new club jackets, which are available to club members as well. They are warm and lightweight so are perfect to wear before and after training.

They come in male and female fit, but please note they do come up small. With the majority of the coaches going up at least one size. Please feel free to ask a coach if you can try their jacket on for size.

These are the given sizes for the men's jackets:

**Sizes: S 38" M 41" L 44" XL 47" 2XL 50" 3XL 53"**

For the ladies:

XS	S	M	L	XL	2XL
8	10	12	14	16	18
34	36	38	40	42	44

They will be priced at £55, and I would need to order at least five at the same time in order to account for the postage costs.

We now have running jackets available in black, pink and yellow.
